The Essential South African House Trip Hot hits that make you want to dance

11/11/11

African Cream Music is proud to present the latest addition to its best-selling catalogue, **The Essential South African House Trip**

House is a style of electronic dance music, influenced by Disco and Soul -Funk that originated in the USA in the 1980s. House has been infused into the mainstream worldwide and is now one of the most popular genres. African House has its own vibe, a distinct beat merged with homegrown sounds.

On this album, some African House masters showcase their talents with some major club and radio hits. It's a must for any house-lover's collection.
